December 1954 from the Government of India, Ministry of Rehabilitation, New Delhi.

Subject:- Recovery of rent dues from priority categories of displaced persons from West Pakistan.

I am directed to refer to this Ministry's letter No. 9(15)-SB/54, dated the 10th September 1954, in connection with the adjustment against compensation of rent and outstanding dues from priority categories of displaced persons from West Pakistan, in occupation of Government - built or evacuee property. In this letter it was stated that claimants living in 400 small towns mentioned in this Ministry's letter No. F.9(15)-SB/54, dated the 28th May 1954 would not be liable to pay rent after the 31st October 1953 and that other categories which were declared priority categories after the 31st October , 1953 would be given this concession with effect from 1st August 1954.

2. This question has been reconsidered in the Ministry and it has been decided that where any property in the compensation pool is transferred to any persons the property shall be deemed to be transferred to him from the dates shown below:-

(a) Where such persons had submitted applications for the payment of compensation before the 31st October 1953, from the first day of November 1953.

(b) Where such persons are in occupation of evacuee properties in any of the 400 small towns from the first day of the month following the month in which receipts in respect of applications for compensation made by them are issued, to them.

(c) Where the compensation applications are invited before a specified date from the first day of the month following such date.

The displaced persons will be required to show the receipts given by the Settlement Organisation for the compensation applications before rent recovery is stopped.
